Taken together, these qualities single you out as being a very powerful influence in your own sphere of activities. You are wonderfully practical in all you do, and you have a very keen brain for remembering details. In fact, details mean so much to you that you are apt to irritate some of your co-workers with them. You never forget a face, though you are less accurate in remembering names. You are a person who wants to know the why and where of everything. Until you are satisfied on these points, you refrain from acting. Consequently, sometimes you miss a good deal, and some people look upon you as a procrastinator. In a measure you are too sensitive and often you hold back when you should go ahead. This unfits you for certain forms of leadership. You do not want your own way in many things. In fact, you are very amenable, taken all round.

You tend to be a loner, preferring to think and study, and excel at solving difficult problems. Sober and cautious, you can be completely fulfilled if you will view life with more optimism. Not only will you be much better off in the long run, but you have the patience and the attitude to see it through.

Occupation

Whatever you turn to, you will engage in with all your might - one at a time. Then, if monotony or routine plays a large part in the chosen occupation, you will become restless and look for a complete change. Accordingly, you must see to it that, at the outset, you choose a form of work possessing plenty of variety. You should think of nothing that keeps you seated in an office, since you need movement. There is much in a commercial traveller's work that will appeal to you. But, there are thousands of jobs, which will take you from place to place and where you will constantly seeing fresh faces, that will be suited to your requirements also. You have an excellent executive ability which fits you for ruling you own right after you reach the age of 35. Moreover, at about this time, you become unfitted for serving under others.

You are well favoured as far as your constitutions are concerned. But, you are liable to suffer from nervous disorders and indigestion. The first is the direct outcome of your highly sensitive nature. You become exhausted more quickly than the average person and the life you enjoy does not help in the matter. Digestive troubles result from self-indulgence. Too much is eaten. What is eaten is too rich and, very often, it is eaten too late in the day. There is a tendency to corpulence in later life.

You are too wise to neglect your work. But, once the work is accomplished you will hurry off to trysting-place to keep the appointment. When marriage is an accomplished fact, you will want to rule the home. The ruling will not be done, necessarily in an aggressive manner, it will certainly be efficient. If you are a woman, you often help your husband in his business affairs and this you perform with marked efficiency.

Finance

You are not likely to be lucky with partners in business. You will be more likely to be architect of your own fortune than receive much help from others. But, there is no reason for you not to eventually succeed and even become wealthy. In matter of finance, your quick-witted clever brain will give you great opportunities. At times your are likely to be very rich and at other times the reverse. When you have money you will be extravagant, when without it you can adapt yourself to the lowliest sphere. || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Seventh house from Lagna, while in the Moon chart Mangal is placed in Fifth house.

Hence Mangal Dosha is present in Lagna Chart but not in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

Note: Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

Moon in your 3rd house:

The results of the 3rd house, when the Moon is placed therein, will be influenced by the Mars, Mercury and Moon. Here the Moon proves highly beneficial to ensure a long life and great wealth or riches for the native.

If there are no planets in the 9th and 11th houses, then Mars and Venus will give good results to the native because of the Moon being in the 3rd house.

With the advancement of the native's education and learning, the economic condition of his father will deteriorate, but without affecting his education adversely. If Ketu's placing in the horoscope is auspicious and not harming the Moon in the 3rd, the education of the native will bear good fruits and prove advantageous in every manner.

If the Moon is malefic, it will cause great loss of wealth and money at the age of the malefic planet placed in the 9th house.

Remedies

(1) Offer in donation the things associated with the Moon, e.g., silver or rice, after the birth of a daughter and the things associated with the Sun e.g., wheat and jaggery when a son is born.

(3) To avoid the evil effects of a malefic planet in the 8th house, serve the guests and others by offering them milk and water freely.

(4) Worshipping Goddess Durga and obtaining the blessings of small girls by touching their feet after serving them food and sweets.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
